

# TORCHED DISPLAYS

**ATTENTION:** these fittings are designed to engage each other with minimal effort. You will never need any other tools to build your display. **DO NOT** force pieces. If a piece is broken, please contact us for replacement.

## PART LIST

**A**

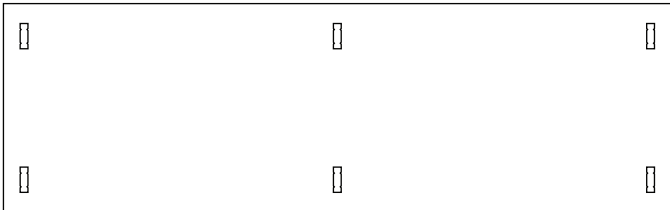

3

**B**

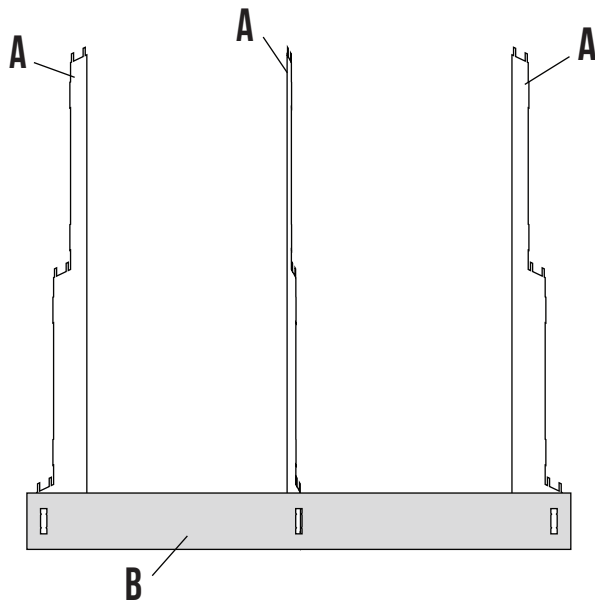

1

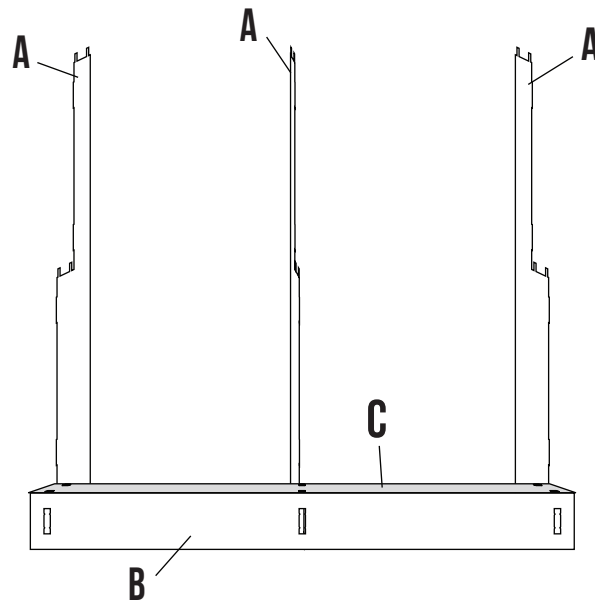

**C**

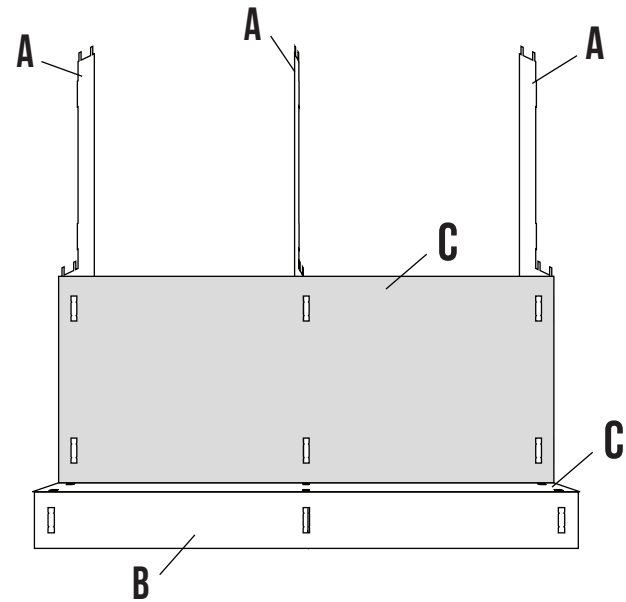

5

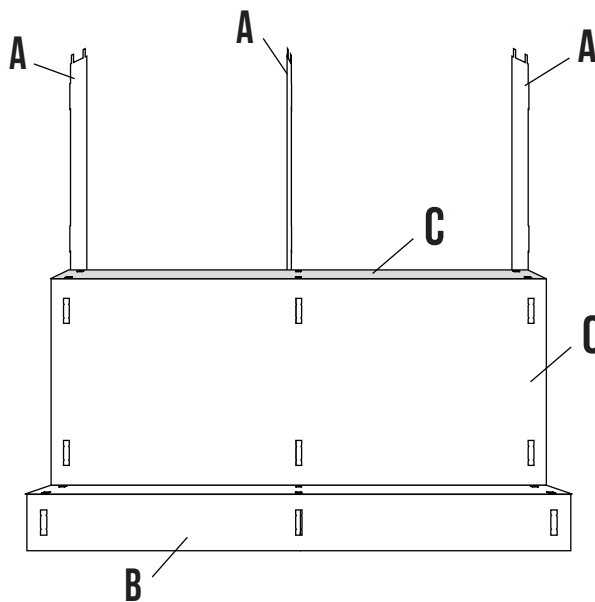

**STEP 1:** Fit board **G** into board **F** creating the front v-shape bottom of the stand. Connect **F** and **G** to the 2 **A** boards completing the bottom of the stand.

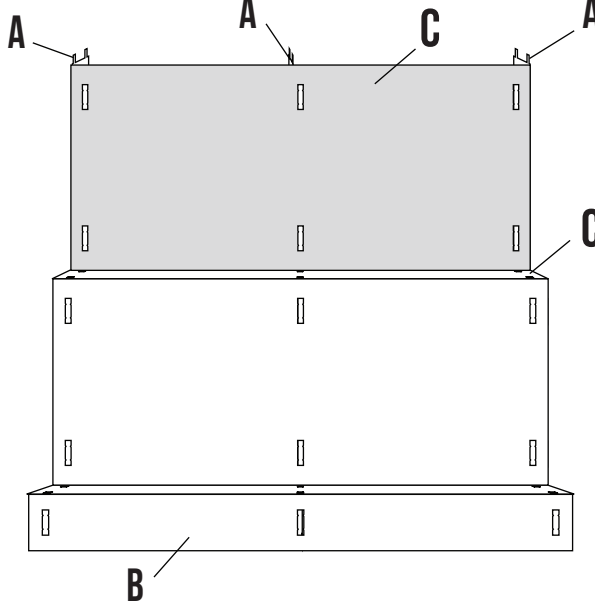

**STEP 2:** Lay shelf **C** on top of board **B** and connect to boards **A**.

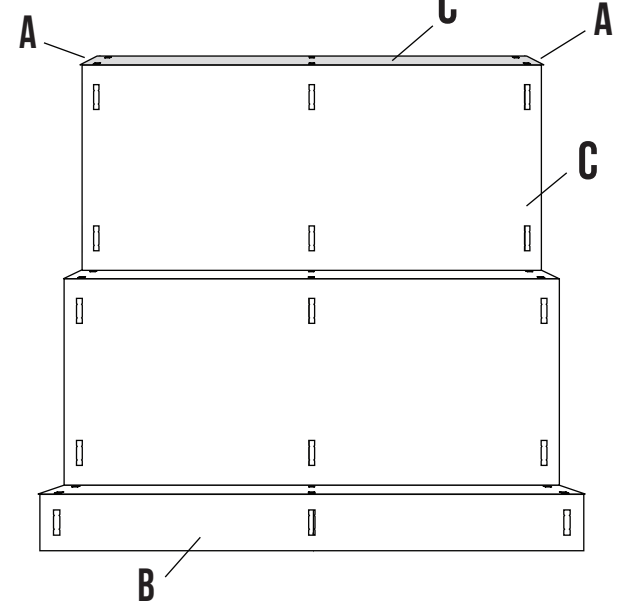

**STEP 3:** Connect board **C** to boards **A** making a shelf back.

**STEP 4:** Connect board **C** to the boards **A** creating the middle shelf.

**STEP 5:** Connect board **C** to the boards **A** creating the back of the middle shelf.

**STEP 6:** Connect the last board **C** to top of boards **A** to create the top of the stand.
